There's a ton of press. Just Google "BP Whiting Oil Spill." Is there something in particular you'd like?

Good luck with the oil spill! Thanks for letting us know.

If you see any press about it, let me know and I'll include it with the hot topics...

Thanks,

Andrea

Hi,

As you may have heard, we have a new (fortunately smallish) BP oil spill here in R5. I'm hosting a call for elected officials and staff at 3pm eastern today as it was the only time that worked for Superfund and the US Coast Guard. Eileen Deamer is on vacation this week, so I don't have a backup who can attend.

Sorry!
